

# Great Things are Happening at East Lake Elementary School

## Working Hard Together: HCDE, PEF and East Lake

Hamilton County Department of Education and the Public Education Foundation are strong partners in providing training for teachers, helping principals become more effective school leaders, and improving literacy and math in elementary schools. East Lake has made great use of this partnership:

- East Lake principal **Neelie Parker**, assistant principal **Joyce Lancaster**, teacher leader **Samantha Walter**, and teacher **Michelle Doyle** have gained leadership skills through the Leadership Fellows program.
- **Ms. Parker** collaborates with other Hamilton County principals in regular meetings and annual leadership institutes.
- As part of a PEF-funded Networked Learning Community, East Lake leaders communicate regularly with leaders from Calvin Donaldson Elementary, Clifton Hills Elementary, East Side Elementary, Orchard Knob Elementary, East Lake Academy, and Howard School of Academics and Technology to develop a plan for improving student success from kindergarten through high school.

In addition, as a result of the **Benwood Initiative**, East Lake has:

- Hired model classroom lead teachers **Samantha Walter** and **Beth Sebastian**.
- Reorganized the school day for concentrated study of reading and writing.
- Made after-school and summer school programs available to all students.

## Good News! Tests will be harder!

Why is that good news? Because the state is raising its academic standards as part of the Tennessee Diploma Project (<http://tn.gov/TDP/>), beginning with tests taken in spring of 2010. Test scores are likely to dip at first, but they will rise quickly to meet the new standards, and Tennessee's students – your children – will be better prepared to compete for good jobs in our global economy.

## 2009 Report Card

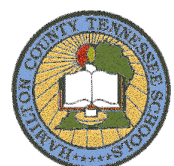

Highlights:

- 24.4% scored **advanced** in math – up from 6% in 2003.
- 15.5% scored **advanced** in reading – up from 12% in 2003.

Achievement (NCLB)				
	Proficient & Advanced		Advanced	
	School	District	School	District
Math	84%	89%	24.4%	44.8%
Lang Arts	76%	90%	15.5%	39.3%

Value-Added*	School
Math	A
Reading/Lang	B
Social Studies	A
Science	C

\*Value-added scores measure student progress within a grade or subject. A value-added score of A indicates exceptional growth, meaning that students in this school made significantly more progress in this subject than students in the average school in the state. Reported scores are 3-year averages.

## HCDE and PEF: Partners for Strong Schools

The Public Education Foundation (PEF) is a local non-profit organization that partners with the Hamilton County Department of Education (HCDE) to improve student achievement by improving public schools.

PEF contributes:

- Research into best practices
- Training for teachers and school leaders
- Opportunities for educators to share great ideas
- Fundraising to support this work

Together, HCDE and PEF are changing education in Hamilton County, and changing students' lives. Learn more at [www.HCDE.org](http://www.HCDE.org) or [www.pefchattanooga.org](http://www.pefchattanooga.org).

## *The Benwood Initiative*

*Since 2003 the Benwood Initiative has been improving literacy and teacher effectiveness in Hamilton County's elementary schools. Funded by the Benwood Foundation, this HCDE/PEF partnership provides significant support to sixteen elementary schools. East Lake is one of eight Phase 1 schools which have been involved since 2003.*

There are excellent teachers in every school in Hamilton County. Read about 20 of them, visit their classrooms, and tell your own story at [www.pefchattanooga.org/ExcellentTeachers](http://www.pefchattanooga.org/ExcellentTeachers).

## Exciting New Initiatives!

**Teacher Residency** - Like a medical residency program that provides "on-the-job training" for doctors, teacher residents will spend a year working with a master teacher in the classroom while also taking classes to earn a master's degree and a teaching certificate. Recruits will specialize in math, science, or other hard-to-fill subject areas.

**Principal Leadership Academy** – It's not easy being a principal! This year, HCDE and PEF will provide a series of workshops for 15-20 assistant principals to help prepare them to move smoothly into the responsibility of being a principal. HCDE, PEF, the Chattanooga Area Chamber of Commerce and UT Chattanooga are currently developing a full-scale Academy that will provide more intensive training, mentoring and support for assistant principals who are likely to become principals.

## College Begins in Kindergarten

PEF has recently merged with the local College Access Center – a long-standing partner in our college access work. With help from the Hamilton County Department of Education and the Community Foundation of Greater Chattanooga, we have placed part-time college advisors in every high school in Hamilton County, and are working to encourage students to start thinking as early as middle school about post-high school college or technical training.

Partly as a result of this work, 70% of 2008 graduates from Hamilton County public schools enrolled in college the following fall.
