

# Great Things are Happening at Hixson Elementary School

## Working Hard Together: HCDE, PEF and Hixson

Hamilton County Department of Education and the Public Education Foundation are strong partners in providing training for teachers, helping principals become more effective school leaders, and improving literacy and math in elementary schools. In addition, Phase II of the Benwood Initiative includes a focus on increasing the number of students who achieve at advanced levels in these subjects. Hixson has made great use of this partnership:

- Hixson principal **Sandra Jerardi** collaborates with other Hamilton County principals in regular meetings and annual leadership institutes.
- Assistant principal **Randy Bell** and teacher **Shaen Callaway** has gained leadership skills through the Leadership Fellows program.
- Hixson educators have formed a book club to hone effective teaching practices.

In addition, as a result of the **Benwood Initiative**, Hixson has:

- Hired model classroom lead teachers **Shaen Callaway** and **Dana Malone**.
- Reorganized the school day for concentrated study of reading and writing.
- Made after-school and summer school programs available to all students.

**Our school is great and we learn math, science, and social studies. The teachers help everybody.**

**- Avery McCall, Grade 3**

## Good News! Tests will be harder!

Why is that good news? Because the state is raising its academic standards as part of the Tennessee Diploma Project (<http://tn.gov/TDP/>), beginning with tests taken in spring of 2010. Test scores are likely to dip at first, but they will rise quickly to meet the new standards, and Tennessee's students – your children – will be better prepared to compete for good jobs in our global economy.

## 2009 Report Card

Highlights:

- 45.8% scored **advanced** in math – up from 40% in 2007.
- 38.5% scored **advanced** in reading – up from 33% in 2007.

Achievement (NCLB)				
	Proficient & Advanced		Advanced	
	School	District	School	District
Math	92%	89%	45.8%	44.8%
Lang Arts	93%	90%	38.5%	39.3%

Value-Added*	School
Math	B
Reading/Lang	D
Social Studies	A
Science	B

\*"Value-added" scores measure student progress within a grade or subject. A value-added score of A indicates exceptional growth, meaning that students in this school made significantly more progress in this subject than students in the average school in the state. Reported scores are 3-year averages.

## HCDE and PEF: Partners for Strong Schools

The Public Education Foundation (PEF) is a local non-profit organization that partners with the Hamilton County Department of Education (HCDE) to improve student achievement by improving public schools.

PEF contributes:

- Research into best practices
- Training for teachers and school leaders
- Opportunities for educators to share great ideas
- Fundraising to support this work

Together, HCDE and PEF are changing education in Hamilton County, and changing students' lives. Learn more at [www.HCDE.org](http://www.HCDE.org) or [www.pefchattanooga.org](http://www.pefchattanooga.org).

## *The Benwood Initiative*

*Since 2003 the Benwood Initiative has been improving literacy and teacher effectiveness in Hamilton County's elementary schools. Funded by the Benwood Foundation, this HCDE/PEF partnership provides significant support to 16 elementary schools. Hixson is one of eight Phase 2 schools which joined the program in 2007.*

There are excellent teachers in every school in Hamilton County. Learn about 20 of them (including Hixson's **Penny Hynes!**) and tell your own story at [www.pefchattanooga.org/ExcellentTeachers](http://www.pefchattanooga.org/ExcellentTeachers).

## Exciting New Initiatives!

**Teacher Residency** - Like a medical residency program that provides "on-the-job training" for doctors, teacher residents will spend a year working with a master teacher in the classroom while also taking classes to earn a master's degree and a teaching certificate. Recruits will specialize in math, science, or other hard-to-fill subject areas.

**Principal Leadership Academy** – It's not easy being a principal! This year, HCDE and PEF will provide a series of workshops for 15-20 assistant principals to help prepare them to move smoothly into the responsibility of being a principal. HCDE, PEF, the Chattanooga Area Chamber of Commerce and UT Chattanooga are currently developing a full-scale Academy that will provide more intensive training, mentoring and support for assistant principals who are likely to become principals.

## College Begins in Kindergarten

PEF has recently merged with the local College Access Center – a long-standing partner in our college access work. With help from the Hamilton County Department of Education and the Community Foundation of Greater Chattanooga, we have placed part-time college advisors in every high school in Hamilton County, and are working to encourage students to start thinking as early as middle school about post-high school college or technical training.

Partly as a result of this work, 70% of 2008 graduates of Hamilton County public schools enrolled in college the following fall.
