

Great Things are Happening at North Hamilton County Elementary School

Partners for Great Education: HCDE, PEF and North Hamilton

Hamilton County Department of Education and the Public Education Foundation are strong partners in providing training for teachers, helping principals become more effective school leaders, and improving literacy in elementary schools. North Hamilton has made great use of this partnership:

- North Hamilton principal **Penny Leffew** and lead teachers **Rhonda Lehman-Fraley** and **Jessica Sharp** have gained leadership skills through the Leadership Fellows program.
- **Ms. Leffew** collaborates with other Hamilton County principals in regular meetings and annual leadership institutes.
- North Hamilton's successful reading instruction program is reinforced by new teaching methods that were proven highly effective in Hamilton County's elementary reform initiative.
- With funding from PEF, North Hamilton educators have formed a book club to hone effective teaching practices. They will be discussing *Rigor is Not a Four Letter Word* and *Learning by Doing: A Handbook for Professional Learning Communities*

“My school is the best because we have the best teachers. Everybody is sympathetic and very smart. You never leave this school not knowing something. Never!”
- Trey Nemanny, Grade 5

Good News! Tests will be harder!

Why is that good news? Because the state is raising its academic standards as part of the Tennessee Diploma Project (<http://tn.gov/TDP/>), beginning with tests taken in spring of 2010. Test scores are likely to dip at first, but they will rise quickly to meet the new standards, and Tennessee's students – your children – will be better prepared to compete for good jobs in our global economy.

HCDE and PEF: Partners for Strong Schools

The Public Education Foundation (PEF) is a local non-profit organization that partners with the Hamilton County Department of Education (HCDE) to improve student achievement by improving public schools.

PEF contributes:

- Research into best practices
- Training for teachers and school leaders
- Opportunities for educators to share great ideas

Elementary Reform

The Benwood Initiative is a nationally renowned, highly successful school improvement initiative that began in 2001 in Hamilton County's eight most challenged elementary schools. Lessons learned are being shared with other elementary schools, including North Hamilton, through a principals' network and other types of professional development.

There are excellent teachers in every school in Hamilton County. Read about 20 of them (including North Hamilton teacher **Rhonda Lehman-Fraley!), visit their classrooms, and tell your own story at www.pefchattanooga.org/ExcellentTeachers.**

Exciting New Initiatives!

Teacher Residency - Like a medical residency program that provides "on-the-job training" for doctors, teacher residents will spend a year working with a master teacher in the classroom while also taking classes to earn a master's degree and a teaching certificate. Recruits will specialize in math, science, or other hard-to-fill subject areas.

Principal Leadership Academy – It's not easy being a principal! This year, HCDE and PEF will provide a series of workshops for 15-20 assistant principals to help prepare them to move smoothly into the responsibility of being a principal. HCDE, PEF, the Chattanooga Area Chamber of Commerce and UT Chattanooga are currently developing a full-scale Academy that will provide more intensive training, mentoring and support for assistant principals who are likely to become principals.

College Begins in Kindergarten

PEF has recently merged with the local College Access Center – a long-standing partner in our college access work. With help from the Hamilton County Department of Education and the Community Foundation of Greater Chattanooga, we have placed part-time college advisors in every high school in Hamilton County, and are working to encourage students to start thinking as early as middle school about post-high school college or technical training.

Partly as a result of this work, the number of graduates who enrolled in college from Sale Creek High, where North Hamilton County students are zoned, increased from 45.8% in 2004 to 59.1% in 2008.
